## • Social Committee

## Volunteers needed: 2-3 minimum, but always open!

<u>Duties</u>: i) organize semi-regular social hangouts. These can range from ordering sushi to eat at the department, to going out for dinner somewhere in Vancouver, to organizing a hike! ii) organize the end-of-term graduate hangouts (one per each term); iii) monitor the *#social* channel on Slack.

<u>Funding available!</u> The end-of-term hangouts are fully funded by SGSA, and additional funding is available for each hangout (depending on the number of events, we might be able to cover part or all of the bill).

### • Graduate Student Seminars

### Volunteers needed: 1-2

<u>Duties</u>: seek speakers, arrange catering (lunch is offered to all attendees), and manage general logistics. Johnny will be co-organizing them with you, so you'll have someone to learn from. This is a great position to have on your CV as well. <u>Funding available</u>! Grad seminars are fully funded by SGSA.

#### • Fundraiser

### • Sports

### Volunteers needed: always open!

<u>Duties</u>: if you'd like to organize any sports activities within the department, come talk to us! We're happy to help you advertise on the SGSA website. You'll be in charge of looking for participants, leading the team if needed, and other logistics.

<u>Funding available</u>! contingent on cost and how many other activities we have, we might be able to cover some costs.

### • Union Rep

### Volunteers needed: 1

<u>Duties</u>: be the liaison between the SGSA and CUPE 2278, the TA union. Your duties would be to go to CUPE meetings and advise SGSA/stats office if needed.
